RS2 SOFTWARE GROUP CELEBRATES ITS 20TH ANNIVERSARY

RS2 Software Group, a Malta-based global provider of card management technology, this month celebrates its 20th anniversary.

Since its establishment in 1988, the company has grown from strength to strength. With offices also in Germany and Hungary, RS2 currently stands as one of the top ten international players in the field of card payments solutions.

RS2's high-quality card payments solution, BANKWORKS, over the years has witnessed an upward trend in market acceptance. In fact, to date provides card solutions to over 80 banks worldwide.

RS2 Software p.l.c. Chief Executive Officer Mr Mario Schembri stated: "Without the trust and loyalty of our numerous clients and shareholders, RS2 would not be where it is today. It is thanks to them that RS2 continues to grow at a steady rate and to fulfill its growth strategy." Mr Schembri stressed that the success achieved thus far is also in large part due to the company's employees. "We consider ourselves very lucky to have a team of IT specialists who are very dedicated and display high levels of motivation. Our success is also due to the cutting edge technology and competitive edge provided by our product – BANKWORKS."

Notes to Editors

About RS2 Software p.l.c.

RS2's solutions are focused on the bankWORKS® suite of application modules. bankWORKS® is a powerful modular high-end card management system designed to meet current and future requirements in the international payment card industry. The system meets processing requirements defined by banks, service providers, as well as other organisations participating in diverse card businesses. The system's modules include Card Issuing, Merchant Acquiring, Transaction Processing, Clearing, Settlement, Reporting, Dispute Management and Internet Services.
