RS2 SOFTWARE PARTICIPATES IN LAS VEGAS EXPO

RS2 Software recently participated in the 2009 ETA (Electronic Transactions Association) Annual Meeting & Expo held in Las Vegas.

RS2 was represented by its CEO Mr Mario Schembri and Mr Radi El Haj, Managing Director of ITM, the parent company of RS2 Software p.l.c. During the event, RS2 showcased BANKWORKS, its card payment solution, in collaboration with Transworks LLC of New York, a transaction processing company.

ETA's Annual Meeting & Expo, held each year in Las Vegas, is the premiere event in the payments industry. Every year, 3,000 attendees take part in activities in and around the Annual Meeting, including educational programs, the Expo and social events. Over the past several years, the Expo has grown to more than 180 exhibitors and covers thousands of square feet.

RS2 is a European based organisation providing card management solutions. With a fast-growing international presence, it services international and domestic banks, service providers and financial organisations.

Notes to Editors

About RS2 Software p.l.c.

RS2 Software is a public listed global provider of fully comprehensive card management solutions for international and domestic banks, service providers and financial organisations.

With a market presence exceeding 20 years, RS2's solutions are focused on the BANKWORKS suite of application modules. BANKWORKS is a high-end card management system designed to meet current and future requirements in the international payment card industry. The system meets processing requirements defined by banks, service providers, as well as other organisations participating in diverse card businesses.

The system's modules include Card Issuing, Merchant Acquiring, Transaction Processing, Clearing, Settlement, Reporting, Dispute Management and Internet Services.
